## NASSCED Winter Meeting

Strategic Planning Committees, !Three Amigos!  
Networking & Relationship Building

**Thursday, Dec. 5th**

### *Strategic Planning Committees*

**Relationships**  
*Dan Dodge*

Collaborate and build beneficial relationships with members and organizations who share our values.

**Membership**  
*Paul Branagan  
& Les Anderson*

Sustain our current membership; reach out to states that are not represented; and encourage all members to share knowledge, resources, and best practices.

**Collaboration**  
*Lou Miller*

Enhance relationships with members, as well as, organizations who share our values in ways that are beneficial to all.

**Leadership**  
*Michelle McGrath*

Develop a collaborative approach within the NASSCED Board of Directors which allows all members to be included in NASSCED leadership.

**Partnerships**  
*Charisse Hilton  
& Mike Musil*

Promote involvement with the NASSCED partners—for our support, guidance, resources, and networking as a means for the state student council associations to achieve their own goals.

**Resources**  
*Lola Richbourg  
& Mike Roland*

Provide opportunities for all members to access a wealth of information designed to enhance state student council organizations throughout the nation.

# *EPIC Ending*

## **Friday, Dec. 5th**

8:00 AM **Meeting of Outgoing and Incoming Board Members** Hotel Restaurant

9:00 AM **Presenter** - Mr. Kyle Warren—Skool Live

Dan Dodge wants to share with us an amazing resource he has used in Arizona. Skool Live is a new technology for schools to use. Basically, it's a large interactive iPad type of Kiosk that can be pre-loaded with anything such as school maps, sports schedules, or information. Money can come from the advertising. It is a win-win for schools.
