12:30-2:45 p.m.

Join us at the historic and majestic **Orpheum Theater** to be part of a once in a lifetime event for students, advisors, administrators and event planners! You’ll see 8 speakers give you their best in 12 short minutes. If they can’t capture you in 12 minutes, they aren’t going to captivate your advisors and students for a longer keynote!

Each of these speakers is a seasoned veteran, with fresh ideas and compelling stories to tell. Plan now to “Fast Forward” your search for dynamic speakers with insight because the shortest distance between uncertainty and insight is a good story, well told!
