## Miscellaneous Policies

### Executive Directors' Shirts

NASSCED is an organization of individuals and not of associations. Whenever the NASSCED Board or Membership decides to provide a shirt with the association name and/or logo on it, the shirts will be given only to those Executive Directors who have individually paid dues for current membership in NASSCED.

If additional shirts or other clothing items with the association name and/or logo are offered to and desired by paid members, they may be purchased at an additional cost to be determined by the NASSCED Board.

### Regional State Officer Training

When funds are available and NASSCED votes to do so, funds may be requested for support of a training program hosted in a region for the state officers within the region. The request for these funds must be made by February 1 by the NASSCED Region Board Member.

### Outside Presenters to NASSCED

When someone other than a member wishes to be placed on the agenda for a NASSCED Meeting, the following guidelines must be met:

1. The presenter may speak one time only.
2. The presenter must be recommended by a member of NASSCED.
3. Handouts may be distributed, subject to review by and approval of the President or his/her designate.
4. Presentations may be made at either the Summer or Winter meeting, and will be for a reasonable length that complements and does not interfere with the overall agenda.
5. Unless the NASSCED Board decides otherwise, topics are limited to information about curricular materials, prospective speakers, or requests for participation in joint projects relative to student council issues or projects.
6. A state's participation in joint project efforts will be voluntary and may be limited at the discretion of the state executive director.
