Hello everyone - below is the August Monthly Newsletter. Thanks again to Michelle for doing a great job as always, and enjoy!

Dear NASSCED Members,

"I really do believe that all of you are at the beginning of a wonderful journey. As you start traveling down that road of life, remember this: There are never enough comfort stops. The places you are going to are never on the map. And once you get that map out, you won't be able to refold it no matter how smart you are. So forget the map, roll down the windows, and whenever you can, pull over and have a picnic with a pig." - Kermit the Frog

My son's favorite green friend comes up with the best advice!! WOW, is summer vacation almost over? If you are like me, in a state where great weather happens for only about 4 months out of the year, holding onto summer is a must! It's hard to believe that a new school year is about to begin!! My wish for you this beautiful day of August, before life gets too crazy again, take time and enjoy a "comfort stop", roll down your windows on the way home tonight, and take the time to enjoy the company of friends and family – possibly over a picnic!!

"Speaker Showcase" – compliments of NASSCED members! Thank you to all of those that shared the various speakers they have used in their states! I've attached a copy of the speaker document highlighting names of speakers, cost, websites, contact information, and remarks from the esteemed directors that utilized their services! We will also keep this a working document with the ability to add to it throughout the year! I am always about a "work in progress". No maps remember?

Here is the website if you would still like to contribute:

Dates to Remember:

- NASSCED Winter Board Meeting - November 30, 2011
- NASSCED Winter Membership Meeting - December 1 to 2, 2011

Thank you again for ALL you do for student leadership in our nation! I look forward to our journey together this

upcoming year. In September we will highlight "Elections". We have SO much to learn from each other!

On Behalf of the NASSCED Board,

Michelle
